This is your time to shine! Let's focus on the Right Stuff! An international fashion and entertainment impresario is seeking America's most talented kids in the DMV. Let's celebrate our local talent in grand style! Lights, cameras, action! Are you ready and in place? Where are the DMV's most fabulous faces and personalities? Do the children of the DMV have talent? We're talking about kids, ages 2-14, that have a special gift and/or talent, a unique quality, unadulterated charm, universal appeal, pleasant personality and capacity for charismatic humor. We want to feature, spotlight, encourage and provide an opportunity for our children to exhibit their talent for The Show Biz Kidz venue produced and hosted by internationally acclaimed producer, Glynn Jackson.
